

SAKNAKSHIRI

Press Release

Saknakshiri purchased new uniforms for Tkibuli football team “MESHAKHTE” (Minor)

The “Saknakshiri GIG Group” as a company with social responsibility continues to support a variety of social activities. On the basis of the decision and the finances of the Saknakshiri GIG Group the company purchased Spain-manufactured uniforms for Tkibuli local football team “MESHAKHTE”. The team held the second match in Georgian championship second league in new uniforms.

“Saknakshiri GIG Group” as a company with social responsibility has been caring of Tkibuli local football team for years. In 2012 the Saknakshiri GIG Group funded the repair works for the local training base; as a result, the team's training and living conditions have improved and are now complied with international standards. During 2011 the company used to fund each member of the football team with five thousand GEL.

07.03.2014

Founded in April 2006, “Saknakshiri” (GIG) Ltd is wholly owned by GIG with the operations focused on coal mining activities, including coal extraction and enrichment A solely owner of economically important coal mining assets, Saknakshiri is a premier coal mining company in Georgia and only provider of locally mined coal. Dzidziguri and Mendeli mines, where current operations are taking place, represent the key production assets. The company owns a coal reserve amounted to 331 million tons in Tkibuli-Shaori region, while in Vale mineshafts (currently the mine is shut down), Saknakhsiri owns brown coal reserves of 76 million tons. David Bezhuashvili is the founder of Georgian Industrial Group.
