GIG Georgian Industrial Group congratulates to whole Georgia on the Easter

The company, with the purpose to express its sympathy with the vulnerable population in Tbilisi hosted the “Free Hot Dinner” traditionally organized by the Catharsis for the Easter holidays.

GIEC – with the financial support of the Georgian International Energy Corporation the homeless and vulnerable old people in Catharsis were given the Easter presents on April 18, 21 and 22. The beneficiaries also had the opportunity to enjoy free hot dinners in the Catharsis during 3 days.

Georgian Industrial Group as a company with social responsibility annually sponsors the Free Hot Dinners for socially vulnerable, helpless and homeless citizens.

22.04.2014

“Georgian International Energy Corporation” (GIEC) was established in July 2005. Today it holds 100% of shares of GIG. GIEC's main strategic business unit includes the production and sale of natural gas. At present, GIEC operates 8 small hydroelectric PowerStation in Georgia and thermal PowerStation of strategic importance, which is located in Gardabani region and provides significant energy reserves. David Bezhuashvili is the founder of Georgian Industrial Group.
