Georgian Industrial Group and the Treepex for #For Borjomi

Georgian Industrial Group as a company with social responsibility, distinguished with green activities, joins the New Year's next campaign. What can be a better gift from the company for the New Year than the "Treepex" gift cards, which serves to save Borjomi's unique forest? Accordingly the company has decided to donate to each partner company a symbolic "New Life" on New Year. At this stage the "GIG" proceeds with the green activities with the "Treepex"; it has already purchased hundreds of new seedlings for restoration of Borjomi forest cover. Our New Year's gift will be a personalized tree. We create a healthy future together with you and care about the environment. We remind you that the Treepex is an innovative platform for tree planting and is actively involved in the restoration of Borjomi forest cover. The Georgian Industrial Group is the Treepex partner company and has purchased hundreds of endemic varieties for the support of this event. According to its policy, the company will continue to participate in the restoration of the Borjomi Forest Campaign.

GIG - the company having 20 - year business experience is one of the largest Industrial Group in Georgia. Its business portfolio includes coal mining, electric power generation (hydro, natural gas and coal-fired stations) natural gas trade and real estate management. David Bezhushvili is the founder of Georgian Industrial Group.
